## Sleepaway Camp provides value ... in so many ways!

Over the years, we've had many camp families refer friends or family member to YMCA of the Pines (home of Ockanickon for boys and Matollionequay for girls) and we are so grateful for the recommendations! We know that "word-of-mouth" is our best advertising and to show our appreciation, we offer financial incentives to encourage people to spread the good word about our camp programs.

Here's how our referral program works –

- Go to the camp page on our website and click the "[Refer a Friend](#)" link and complete the requested information of the potential new camper.
- Tell your friend to list you on their registration as the camper family who referred them.
- Tell your friends about Camp Matollionequay or Camp Ockanickon – and send them to our website ([www.ycamp.org](http://www.ycamp.org)) to check out our programs, and to register.

What's the financial incentive?

- The referring parent will receive a \$100 credit via the payment method made (via a check only if requested via email, [registration@ycamp.org](mailto:registration@ycamp.org)) for each new camper referred who attends one of our resident camps. (That's real money – not a camp credit!) In order to verify that both campers have attended our program, the \$100 per new camper incentive (referring parent) will be credited at the end of October.
- The new camper will receive \$50 off their first registered session, to be credited by our accounting department within 30 days of registration.

Are there rules? (Just a few!) –

- In order to be eligible, you must complete the "[Refer a Friend](#)" form on our website. You must submit the form before the date your friend registers for camp.
- Your friend needs to be a new camper.
- Tell anyone you want about camp! Only forms filled out using our website are eligible.
- To qualify for the referral fee, you must also be enrolled in an overnight camp program for the current year camp season.
- We base our Refer a Friend referrals on a first-come, first-served basis. If we have already received the referral through another family, your referral will be ineligible.
- The referral does not apply to children within your household.
- The referred new camper must complete the camp session.
- The referral does not apply to the mini-camp sessions.

***This summer is going to be great! Make sure your friends know about it!***

***We thank you for spreading the word about Ockanickon and Matollionequay!***
