Why do we offer 3 prices for camp?
Read below for an explanation of our tiered pricing.

The tiered pricing system is an "honor system" designed to make camp more affordable and accessible. Levels B & C are below the true cost of camp, so we ask that all parents who can afford to pay Level A please do so. All chosen levels are confidential and all children receive the same great camp experience regardless of level. Larger scholarships are available by applying for needs-based financial assistance. Please circle your tier choice to the left. If no level is circled, Level A is used.
