YMCA of the Pines Wedding Policy

Our wedding policies are as follows:

- Wedding events may be hosted at Matollionequay in October, and at Ockanickon in February or November, subject to availability.
- Weekend wedding packages include two nights lodging in camp-style accommodation, three meals (Friday dinner, Saturday & Sunday brunch), and up to three hours of camp programming (climbing wall, archery, etc.). The participant cost is $200/person for the weekend wedding package.
- Food services for wedding events may be provided by the Food Service Department at YMCA of the Pines. Reception dinner pricing is subject to menu selections. In the alternative, outside catering vendors may be used, but all food must be prepared offsite as YMCA kitchen facilities may not be used to cook, warm, or prepare food in any way. Further, in the event outside catering is used, a $1,000 facility usage fee will be charged on top of the wedding weekend package. Note, this facility fee is waived when the reception dinner is prepared by the Food Service Department at YMCA of the Pines.
- The minimum total charge for a weekend wedding event is $10,000 (weekend wedding package and reception), regardless of the number of attendees.
- A 25% non-refundable deposit is required at the time of booking.
- An additional $1,000 refundable security deposit is required at the time of booking. This deposit may forfeited in the event guests/participants use drugs (including marijuana) or engage in other illegal activity while on the property.
- Wedding events must purchase liability insurance, naming YMCA of the Pines as an additional insured. This insurance must include a minimum of $1,000,000 in general liability and $1,000,000 in host liquor liability.
- All additional vendors must provide proof of insurance coverage and name YMCA of the Pines as an additional insured.
- To ensure the comfort of all our guests, please note that YMCA of the Pines is a tobacco-free facility.
- Wedding events must provide licensed bartender(s) to serve alcohol.
