FOR SOCIAL RESPONSIBILITY

Dear Leaders Club Applicant:

Thank you for your interest in becoming a member of YMCA of the Pines Teen Leaders Club! This club is designed to give motivated teens opportunities for leadership development, community service projects, socialization with like-minded high school students from around the area, fun trips and retreats, and much, much more. The Teen Leaders Club is a widely recognized, national program of the YMCA that engages high school students from across the country. It is for teens and led by teens – all members of the group will have a voice in making decisions about the club's actions and events. We are so excited to bring such an awesome club to the South Jersey area!

Club meetings take place biweekly at YMCA of the Pine's and are determined by the schedules of the participants. Currently, meetings are held every other Wednesday at 6:30 to 8:00 pm. Club meetings will end for the summer in June and begin again in the fall. Enrollment will be open throughout, so feel free to bring friends along! Off-property events, such as volunteer projects or trips, may involve fees, but regular club meetings are free to attend.

Attached, you will find some questions that will allow us to get to know you a little better. Don't stress – everyone is welcome, and no one will be turned away! Please answer honestly so we can get a true idea of what our group of leaders will look like. This will also be helpful to coordinate meeting times that work best for everyone who wants to be involved. You can mail your completed application to the address below, drop it off at Camp's administrative office, or scan the document and email it to me at carol@ycamp.org.

We hope that this new program will challenge you and inspire you. If you have any questions or would like more information, please do not hesitate to contact me. I am looking forward to meeting and working with each one of you!

Sincerely,

Carol Yard
Outdoor Center Director
