WHAT SHOULD I BRING TO CAMP?

A suggested packing list can be found at our website at www.ycamp.org under the Downloads Forms tab, Year Round Programs section. Please feel free to make adjustments based on the length of your stay. For all overnight visits, be sure to have all members of your group bring bedding material. Remember to pack for the weather and check your favorite weather website before coming to camp and plug in our zip code – 08055. Cell phone service is available throughout Camp and much of the property is also wifi accessible.

FOR CHILDREN AND ADULTS WITH SPECIAL NEEDS OF ANY KIND (DIETARY, MEDICAL, OR DEVELOPMENTAL) WHAT DO I NEED TO KNOW?

We welcome all, regardless of ability or special needs. Our staff is well-equipped to accommodate most developmental, medical and dietary needs. Please call the Senior Director at 609.654.8225 to discuss.

WHERE WILL WE STAY?

We offer two separate styles of lodging: cabins and lodges. Cabins are seasonal, screened buildings with no electricity. Each is located near centralized modern shower and bath facilities. Lodges are year-round with heat, air-conditioning, hot water, indoor bathrooms and electricity. Your agreement will list your assigned lodging. Check our website at www.ycamp.org for pictures, and email the Senior Director for a floorplan.

AS THE GROUP LEADER, WHAT IS MY ROLE AND WHAT DO I NEED TO KNOW?

The Senior Director will help you design a unique program based on your goals and expectations for the trip. Take a look at our website for ideas. Please let us know about any activities, topics and goals you would like incorporated into the program. YMCA of the Pines instructors are capable of handling most situations. Your role is to help promote a positive learning environment and we encourage you to participate and empower all members of your group. Please see the Principles & Procedures document sent to you during booking for ratio recommendations.
