# FRIEND REQUESTS

If you have not added a friend request for your camper and still would like to, please email the Camp Director ([lynn@ycamp.org](mailto:lynn@ycamp.org)) to add the friend to your camper's registration account. This can be done up until the week before the session begins.

There are a few guidelines to friend requests:

- In order for the request to be 100% guaranteed, both campers must request one another.
- If a requested friend is in another grade, the campers will be placed in the younger grade out of the two of them. For example, if one camper is going into 3rd grade and the other camper is going into 2nd grade, both will be placed in the 2nd grade age group.
- We will not honor requests that are more than one grade apart.
- Depending on enrollment, only one mutual request may be guaranteed.

# WAITLIST UPDATE

Our waitlist is assessed every 2-3 weeks. The registration department will contact you, via email, if you are able to register for any of your waitlisted sessions.

As our hiring season begins to pick up, it is our goal to register as many waitlisted campers as possible, so please know we are doing everything we can to make it happen.

Do you know someone who wants to join in on the summer fun at Lake Stockwell Day Camp? If so, send their contact information to our camp director ([lynn@ycamp.org](mailto:lynn@ycamp.org))!
